

Earthcraft Ltd quality management statement

Earthcraft Ltd aims to deliver a high quality service to its clients. All of our landscape projects demonstrate the highest standards of professionalism in accordance with all requirements of the Association of Professional Landscapers, The Horticultural Trades Association, and the Government endorsed Trustmark.

All projects are delivered in accordance to the Earthcraft contract of agreement which is agreed and signed by both parties.

Documentation is dated in reference to the agreed quotation and all documentation is archived.

Projects are completed when they are signed off by the client.

All projects come with a one year guarantee in accordance with the membership standards of the Association of Professional Landscapers.
